PRIVATE BILLS.

EXCERPT FROM RULES AND ORDERS RELATING TO PRIVATE BILLS.

RULE 76.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867"—whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, or Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint-stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relates to any particular class of the community, or for making any amendment of a like nature to any former Act,—shall require a

Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicant; such notice to be published as follows:—

In the *BRITISH COLUMBIA GAZETTE*, and in one newspaper published in each Electoral District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest Electoral Districts in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House, to be filed amongst the records of the Committee on Standing Orders.

72. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, together with copies of the notices published. Such publication to be proved by affidavit or declaration to the satisfaction of the Clerk of the House. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House the sum of three hundred dollars. If a copy of the Bill, Petition, and notices shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

77. Before and Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 76, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

82. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring $10\frac{1}{4}$ inches by $7\frac{1}{2}$ inches.

There shall be a marginal number every fifth line of each page; the numbering of the lines is not to be run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By Rule 83, a model form of Railway Bill is adopted. A copy of same can be obtained upon application to the Clerk.

All Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

In the case of Bills to Incorporate Companies, in addition to the fee of \$300 mentioned in Rule 72, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

Every Petition for a Bill to incorporate a company shall state the name of the proposed company.

Petition signed by agents or attorneys must be accompanied by the authority of such agent, etc.

Dated July 22nd, 1920.

DOMINION ORDERS IN COUNCIL.

[3250.]

CERTIFIED COPY of a Report of the Committee of the Privy Council approved by His Excellency the Governor-General on the 6th January, 1921.

THE Committee of the Privy Council have had before them a report, dated 14th December, 1920, from the Minister of the Interior, submitting that for a number of years Mr. John C. Taylor, of Kamloops, has been allowed to conduct a summer stopping-place and boat-livery at Paul Lake in the Niskonlith Forest Reserve in the Province of British Columbia. Mr. Taylor applied for a lease in 1915, but as at that time the land was not available, and as Mr. Taylor has again applied for a more stable form of tenure with a view to the erection of more permanent and commodious buildings, and as there is a growing demand for hotel accommodation at Paul Lake, it is considered in the public interest that opportunity be given for the establishment of a summer hotel on the site applied for.

The Minister, therefore, recommends that authority be granted under the "Forest Reserves and Parks Act" to issue a lease to Mr. Taylor covering the area applied for by him, which may be described as follows:—

"Commencing at a point 8 chains east of the south-west corner of Legal Subdivision 2, Section 33, Township 20, Range 16, west of the 6th meridian, on the south shore of Paul Lake; thence south 7 chains; thence east 10 chains; thence north 4 chains, more or less, to the south shore of Paul Lake; thence following said south shore in a westerly direction to the point of commencement; containing by admeasurement an area of 5 acres, more or less."

The Minister further recommends that the lease be subject, *inter alia*, to the following special conditions:—

1. The term of the lease shall be for 21 years.
2. The rental for the first 10 years shall be \$50 per annum, the rental during the remaining 11 years to be fixed by the Minister.
3. There shall be a reservation of 50 feet in width along the shore of Paul Lake for the general public.
4. The premises shall be used solely for summer hotel purposes; no liquor shall be sold or consumed thereon, nor shall any nuisance be permitted; and the premises and buildings shall be kept in a sanitary condition.
5. The lease shall be subject to all the regulations in force on the forest reserve; all persons boarding with the lessee shall be subject to such regulations, especially those relating to the prevention of fire, and the lessee shall be responsible for seeing that the regulations are observed by such persons.
6. No timber shall be cut except under permit.
7. The lessee shall erect and properly equip

within three years from the date of the lease, a building or buildings of sufficient capacity to provide dining, recreation, and sleeping accommodation for not fewer than fifteen persons, such sleeping accommodation to consist of at least six bedrooms, located either in the main building or in detached cabins.

8. Before the construction of any building is proceeded with, the plan and specifications thereof, together with a plan of location, shall be submitted to and approved by the Forest Officer.

9. The lessee shall be required to serve meals to transient patrons at reasonable hours.

10. Should the lessee fail to provide such hotel service or accommodation as in the opinion of the Minister is reasonably necessary, the lessee shall, within one month from the date of a notice addressed to him in that behalf by the Minister, take such measures to improve the service or accommodation as are set forth in such notice.

11. For the purpose of grazing stock required in connection with the hotel, the lessee shall have a prior right to obtain, in accordance with the provisions of the Forest Reserves Regulations an annual pasture permit covering an area of 14 acres, more or less, in Legal Subdivisions 1 and 2 of Section 33, Township 20, Range 16, west of the 6th meridian, such prior right to continue during the term of the lease: Provided, however, that if in any year during the said term the lessee shall fail to avail himself of the prior right, such prior right shall, in the discretion of the Minister, be deemed to have been forfeited and the lessee shall have no recourse.

12. If, in the opinion of the Minister, it should be desirable in the public interest at any time during the continuance of the lease, to withdraw therefrom any portion of the lands therein demised or to cancel the lease for any reason, he may, on giving the lessee ninety days' notice, withdraw such lands or cancel such lease, and the lessee shall not be entitled to receive any compensation or damages in the premises whatsoever.

The Committee concur in the foregoing recommendation, and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

PRIVATE BILL NOTICES.

ADDITIONAL NOTICE OF APPLICATION
FOR PRIVATE BILL.

NOTICE is hereby given that the Corporation of the City of Victoria, in addition to the matters mentioned in its previous notice of application for a Private Bill (to be known as the "Victoria City Act, 1921"), dated December 7th, 1920, will apply to the Legislative Assembly of British Columbia at its next session for the enactment by the said proposed Act of the following further powers, namely:—

11. Enabling the Council to make, alter, and repeal by-laws for substituting securities in exchange for partially destroyed debentures held by the Equitable Life Assurance Society of the United States and by the London and Scottish Assurance Corporation, Limited.

12. Extending to the City the provisions of the "Greater Food Production Act" for the year 1921.

13. Providing retroactively for the cancellation of agreements for sale of lands reverting to the City by tax sale after ninety days default in payment of any instalment or interest after and registered notice thereof given to purchaser, and for reverting said lands in the City free of encumbrances.

14. Providing retroactively that the purchase price at which reverted tax sale lands are sold shall not be deemed to be the actual value thereof or to form the basis of value of other lands for purposes of assessment and taxation.

Dated December 29th, 1920.
